

# Welcome to Seamlessly Endless Freebies!

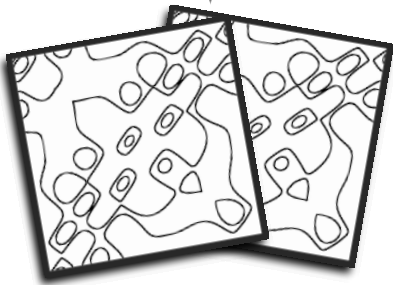

I am offering these coloring book patterns for free for personal use. They are similar to the patterns in my book “Seamlessly Endless Patterns,” available here: <http://www.schwansongs.com/seamlesslyendless/>

Feel free to make copies onto your favorite paper and color away!

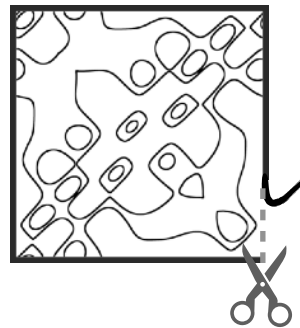

**Seamless Tutorial:** Each pattern in the book can be copied, and the copies joined side by side and/or top to bottom. The lines will magically connect and repeat *seamlessly*. Before you color a page you like, I encourage you to first make copies of it. Cut along the edges (just inside the black border) and tape the copies together along the back, giving you more artistic space to color.

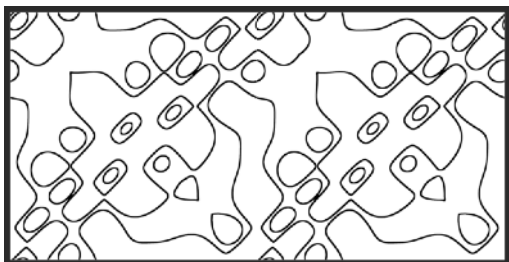

1. Make copies of a pattern.

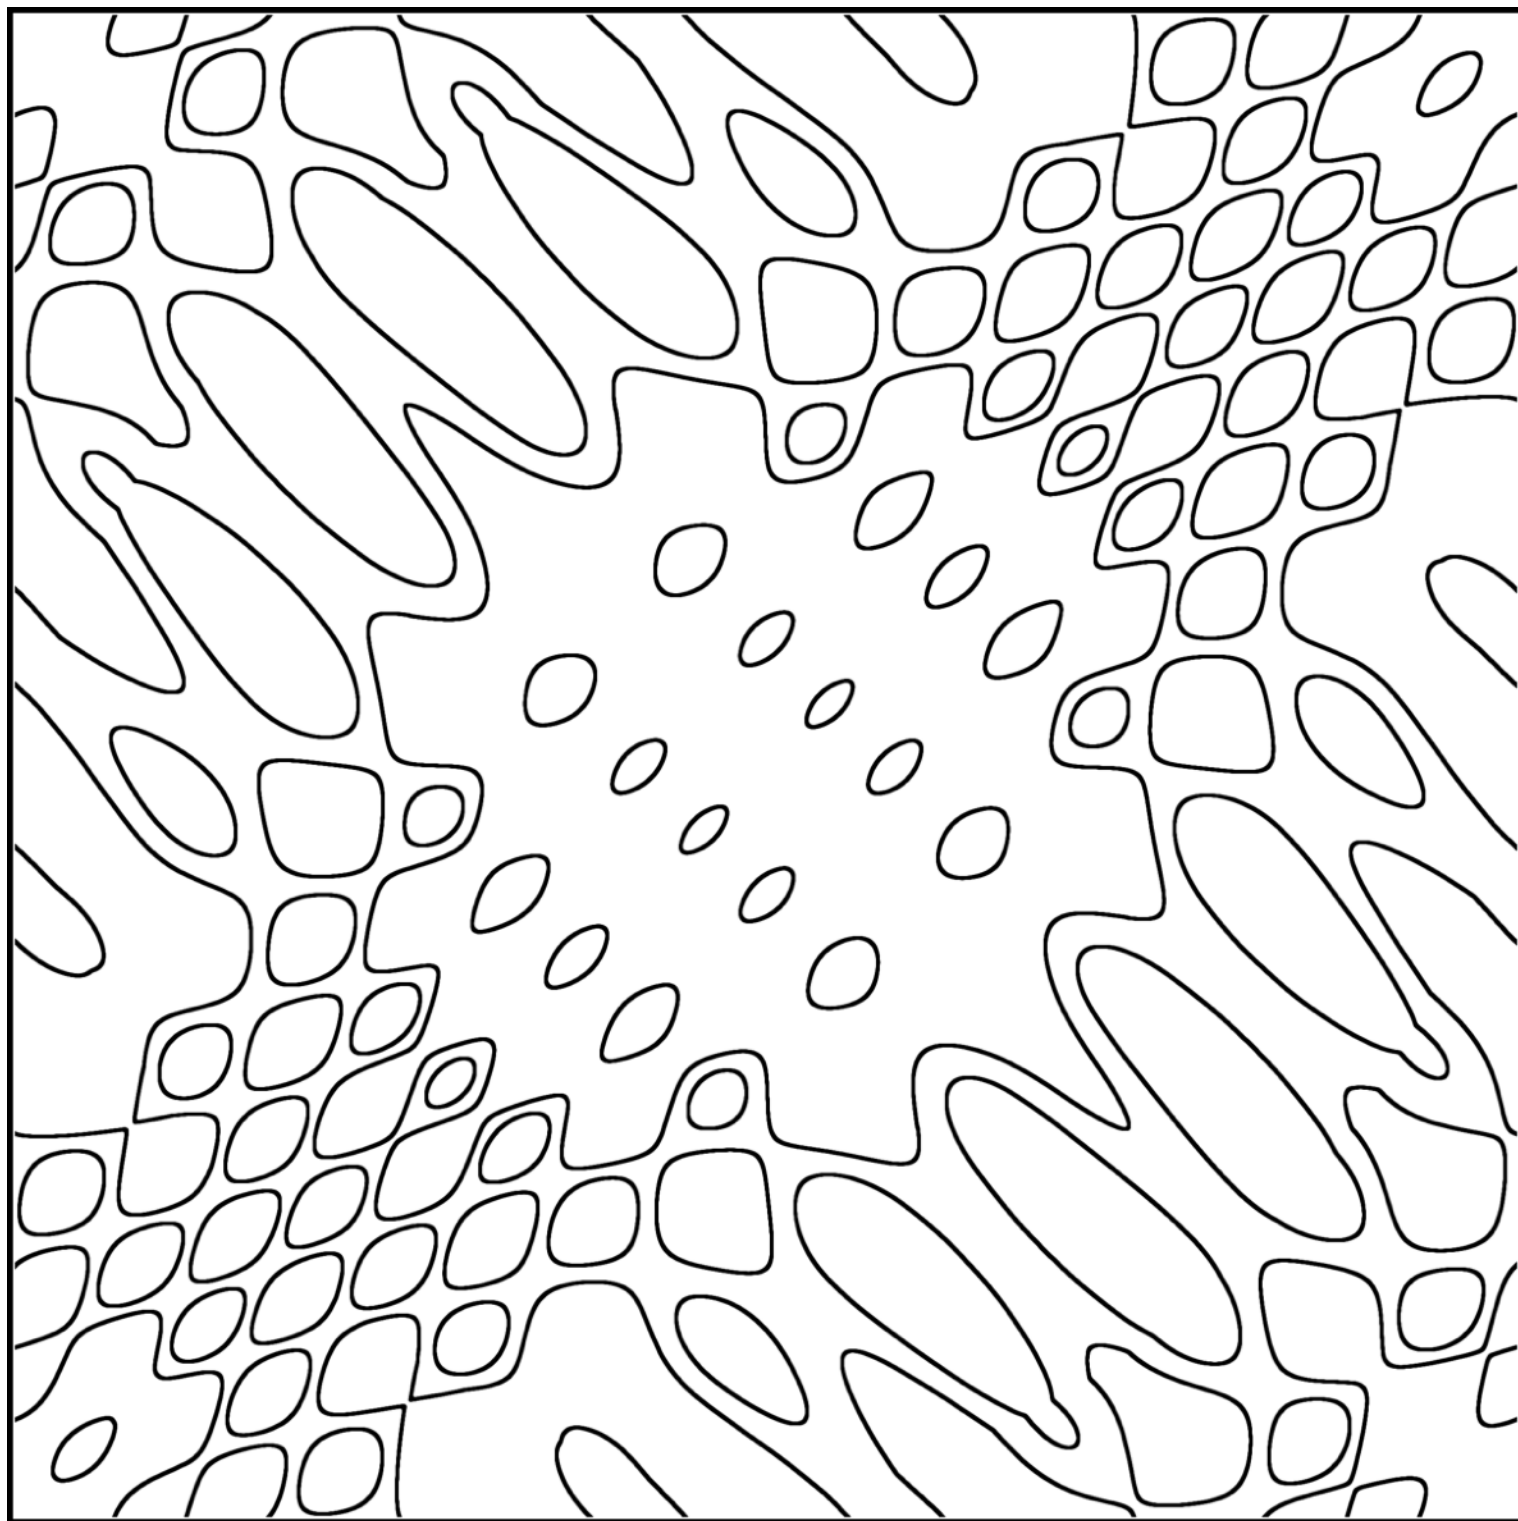

2. Cut along the edges to remove just the black border.

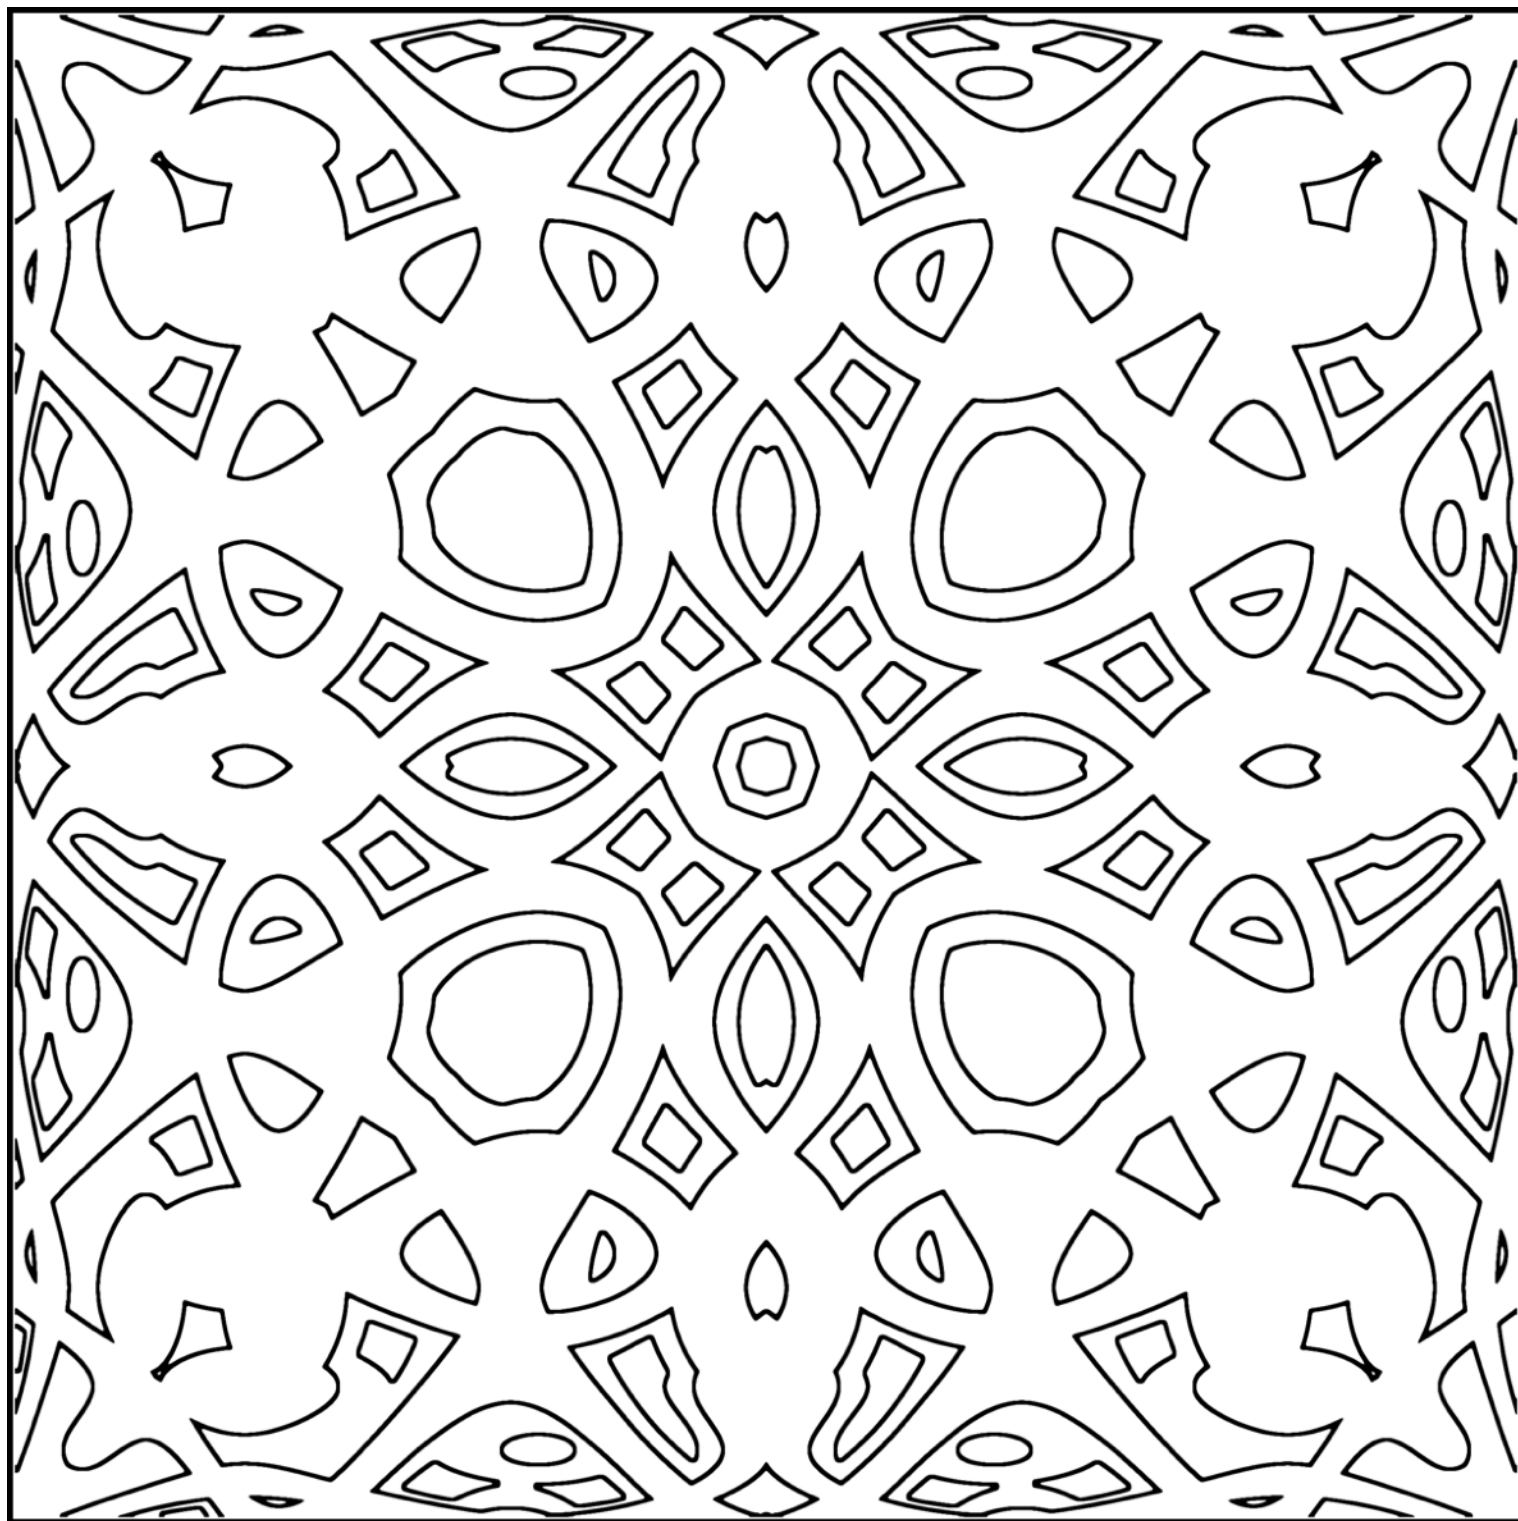

3. Tape the edges together on the back to make a bigger coloring area.
